

**Charlie McDonald, US Navy (Ret.), Henderson County Sheriff (Ret.)**

It is my privilege to announce my sincere endorsement for Senator Chuck Edwards in his quest to win the Republican nomination for Congress in our 11th District of North Carolina. During my time as Sheriff of Henderson County, it was my honor to get to know Chuck and his family. Dedicating more than three decades of my life as a law enforcement officer, line officer, instructor and Sheriff has given me a unique perspective. Chuck has always respected the concerns of the law enforcement community and he has always been willing to listen. He evaluates every issue with attention and fairness. He is a true friend and supporter of law enforcement officers everywhere.
